Vegetarian-Friendly Guide

This guide lists the dishes we offer on our main menu but without meat and seafood. To cater to a spectrum of diet preferences as well as those with diet restrictions, we indicate ingredients used. Kindly read carefully before making your selection.

If you consume dairy products, eggs & root vegetables,
the choices here are mostly for you.

If you consume dairy products but do not consume eggs,
you may wish to know that our fettucine is made without eggs. Pair it with any sauce listed here.

If you do not consume dairy products & eggs,
you can pair your pasta with sauces without dairy & cheese. Note that our breads & pizza dough do not contain dairy.

If you do not consume root vegetables,
please note that all our dishes do not contain chives, shallots, scallion & leek. All other vegetables used are listed or marked accordingly.

Dishes marked with these letters contain the respective ingredients:

Onion **(O)** Garlic **(G)** Dairy **(D)** Egg **(E)** Cheese **(C)**

*We do not use animal fats and oils and all stocks used are vegetable-based.

*Note that due to change in supplier, all our cheese **(C)** are produced with animal rennet. Only mascarpone cheese is not produced with rennet.

*All dishes using tomato sauce are pre-produced and onion & garlic cannot be excluded.

*Ingredients that are not pre-produced can be excluded when requested.
